MAGISTRATE JUDGE MARY GORDON BAKER
United States District Court
District of South Carolina
Charleston Division
P.O. Box 835 Charleston, SC 29402

RE: Case No.: 2:20-cv-01366-DCN-MGB Connor v. Vantis Life Insurance Company, et al.
**LETTER MOTION FOR EXTENSION OF 10/13/20 DEADLINE TO AMEND
PLEADINGS**

Dear Magistrate Judge Baker:

I am requesting an extension of the Scheduling Order deadline of 10/13/20 to amend the pleadings in the above referenced case. In response to Plaintiff's discovery requests, TechLeads identified the "third-party" company that made the subject call of the complaint on 1/24/20.

However, TechLeads objected to some of the discovery requests regarding the third-party company. I sent a letter to counsel for TechLeads detailing the requests and asked for a response by the end of the week. With the court's permission, I will amend the pleadings as necessary as soon as possible upon receipt of the requested information from TechLeads.

Sincerely,

Jay C. Connor
